

# **Livin' In Black And White**

**Tracy Lawrence**

This makin' a livin' is killin' me  
I work like a dog in this hot factory  
Can't even afford a vacation when I've got the time  
But I've got road maps of Mexico  
Brochures and pictures of places to go  
Dreamin' in color. Livin' in black and white

[Chorus]

I can drink margaritas with sweet señoritas  
Work on my tropical tan  
Dangle my feet in the crystal blue water  
Lay in the snow white sand  
I've never been down to Mexico  
But I'm gonna go there tonight  
I'm dreaming in color. Livin' in Black and white

I'd like to buy a new Cadillac  
Build me a house with a pool out back  
And eat at the country club every Saturday night  
But there ain't much pay in my ol' paycheck  
But I'll win the lotto one day I bet  
Dreamin' in color, livin' in black and white

[Chorus]

I'm dreamin' in color, livin' in black and white
