

# Nigga Whut! (New 2 Mix)

## Redman

Yo yo whats good my nigga I got it nigga, nigga I got it what you need nigga?

I need that sour!

Brick City let's go!Yo Redman my nigga, who else?

A double O.G. in the game with two g's on the belt

The flows I create, it'll drown Mike Phelps

Its no sleeping here I'm anti NyQuil

Look at this nigga here, I control the stage

Boy I do it like Moses I part niggas waves

I want lazed chips, that old folks money

You know, getting paid but unemployed like Tommy

Brick city designed me, they don't wanna blame

Banana clip rounded neck that's a food chain

What up Homie, is time getting hard?

Well I'm like an alcoholic, its all about bars

My truck so big, I need a six cars garage,'

And all challengers better dodge

Hey

I got my game face on whut you know about it?

Im rolling up that Grand daddy whut you know about it?

Im driving in an exotic whut you know about it?

I pull up my car (errr) and looking at you punk like nigga whut?

Nigga whut? Nigga whut? Nigga whut? Nigga whut?

Nigga whut? Nigga whut? Nigga whut? Nigga whut?

Nigga whut? Nigga whut? Nigga whut? Nigga whut?

Nigga whut? Nigga whut? Nigga whut?Yes sir, yo I'm on a highway cruising, loving my life

That 8 0 8 like yeah the D nice

I've seen Tina and Robin, sitting at the light

I said I beat it up I be the new Mike and Ike

Redman on blast, perfecting the craft

Smoke all ya cut, then ride off and laugh

All types of girls love Red I ain't mad

Shit I got Islamic women tryna bag dad

Yo you need crack? I move like a cartel

Even smack and B say URL

When the Wu tang sprang out of park hill

I turned up my C.R.E.A.M game getting Carvel

Yo dogs, when times getting hard

I'm like an alcoholic, it's all about bars

I'm like an AmEx card nigga, I take charge

And all challengers better dodge

Hey

I got my game face on what you know about it?

Im rolling up that Grand daddy what you know about it?

Im driving in an exotic what you know about it?

I pull up my car (errr) and looking at you punk like nigga what?

Nigga whut? Nigga whut? Nigga whut? Nigga whut?

Nigga whut? Nigga whut? Nigga whut? Nigga whut?
