

# You Again

## Cadillac Sky

Just out, on parole a new man, a saved soul  
Ready to leave that life behind  
Bus ride and a change of clothes, no job, dead broke  
No one wants a man who's done time  
I see someone left the keys in a foreign car ignition  
And I hear an old friend callin my name

(Chours)

It's you again temptin me to break in  
And take that Maserati for a ride  
I bet you're down there smiling  
Watchin' me drivin  
With your pitch fork poking at my side  
And I feel your fiery touch against my skin  
It's You again

A motel mattress covered in hundreds  
A bottle of bourbon on the floor  
Visions of Vegas, fine wine and women  
As I see a bible in the nightstand drawer  
A guilty conscience sets in, I feel like someone's watchin'  
And I hear an old friend callin my name

(Chours)

It's you again, askin' me to open  
That King James to Psalm 102  
And your words hit like lightning  
I hear your angels cryin'  
Can't believe I turned my back on you  
And I can't enjoy the fruits of my sins  
It's You again

Sirens, handcuffs, new trial, same judge  
Disappointed lookin' down at me

Sayin' It's you again standin'  
In my courtroom beggin'  
Me to show some mercy one more time  
Son I guess you didn't learn your lesson  
Now it's time to pay up for your crime

You've earned a one way ticket to the pen  
One more word and I'll tack on another ten  
And I heard my cellmate say as I walked in  
Aww, It's You again
