Wild is the Wind

Nicolas Bearde

Love me, love me
Love me say you do
Let me fly away with you
For my love is like the wind
Wild is the wind
Give me more than one chorus
Satisfy this hungriness
For we're creatures of the wind
And wild is the wind
Wild is the wind
You touch me
I hear the sound of mandolins
When you kiss me
With your kiss my life begins
You cling to me
All things to me
Don't you know you're life itself

Like a leaf clings to a tree
So my darling cling to me
Let my love flow through you
Wild as the wind
Wild as the wind
As the wind
Wilder than the wind my love is
Wild as the wind
Let my heart love you oh
Wild as the wind
Wild as the wind
Wild creature of the wind
Love me wild again
The wind
