Comfortably Numb

London Philharmonic Orchestra

Hello?
Is there anybody in there?
Just nod if you can hear me
Is there anyone at home?Come on, now
I hear you're feeling down
Well I can ease your pain
Get you on your feet againRelax
I'll need some information first
Just the basic facts
Can you show me where it hurts?There is no pain you are receding
A distant ship's smoke on the horizon
You are the only coming through in waves
Your lips move but I can't hear what you're sayingWhen I was a child I had a fever
My hands felt just like two balloons
Now I've got that feeling once again
I can't explain you would not understand
This is not how I amI have become comfortably numbI have become comfortably numbOkay
Just a little pinprick
There'll be no more
But you may feel a little sickCan you stand up?
I do believe it's working good
That'll keep you going through the show
Come on it's time to goThere is no pain you are receding
A distant ship's smoke on the horizon
You are the only coming through in waves
Your lips move but I can't hear what you're sayingWhen I was a child I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown the dream is goneI have become comfortably numb
