

# Comfortably Numb

## London Philharmonic Orchestra

Hello?  
Is there anybody in there?  
Just nod if you can hear me  
Is there anyone at home? Come on, now  
I hear you're feeling down  
Well I can ease your pain  
Get you on your feet again Relax  
I'll need some information first  
Just the basic facts  
Can you show me where it hurts? There is no pain you are receding  
A distant ship's smoke on the horizon  
You are the only coming through in waves  
Your lips move but I can't hear what you're saying When I was a child I had a fever  
My hands felt just like two balloons  
Now I've got that feeling once again  
I can't explain you would not understand  
This is not how I am I have become comfortably numb I have become comfortably numb Okay  
Just a little pinprick  
There'll be no more  
But you may feel a little sick Can you stand up?  
I do believe it's working good  
That'll keep you going through the show  
Come on it's time to go There is no pain you are receding  
A distant ship's smoke on the horizon  
You are the only coming through in waves  
Your lips move but I can't hear what you're saying When I was a child I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown the dream is gone I have become comfortably numb
