

I Want To Know You (feat. Chris Quilala)

Jesus Culture

I stand before You, awed by Your majesty
Covered by Your mercy, Your blood has made me free
Draw me to You and set my heart on fire
I want to know You, You're my one desire I give You my worship
All of my passion
I give You my whole heart
All my devotion Grace never ending, Your hands they carry me
Body that was broken, for all the world to see
My heart is held by love so unconditional
You captivate me, You're the lover of my soul I give You my worship
All of my passion
I give You my whole heart
All my devotion Here I will bow down
And say I need You
Here I will worship
And say that I love You Oh how I love You (x4) I want to know You, let Your spirit overwhelm me, let Your
presence overtake my heart (x12)
