Making Your Mind Up

Bucks Fizz

You gotta speed it up
And then you gotta slow it down
'Cause if you believe that a love can hit the top
You gotta play around
And soon you will find
That there comes a time
For making your mind up.

You gotta turn it off
And then you gotta pull it out
You gotta be sure that it's something
Everybody's gonna talk about
Before you decide
That the time's all right
For making your mind up.

Don't let your indecision
Take you from behind.
Trust your inner vision
Don't let others change your mind.

And now you really gotta burn it up
And make another flight by night
And run for your money and take a chance
And it'll turn out right
And when you can see how it's gonna be
You're making your mind up.

And try to look as if you don't care less
But if you want to see some more
Then the rules of the game
Will let you find the one you're looking for
And then you can show that you think you know
You're making your mind up.

Don't let your indecision
Take you from behind.
Trust your inner vision
Don't let others change your mind.

And now you really gotta speed it up...

And now you really gotta speed it up...

For making your mind up.
For making your mind up.
For making your mind up.
