Running Up That Hill

Within Temptation

It doesn't hurt me
You wanna feel, how it feels?
You wanna know, know that it doesn't hurt me?
You wanna hear about the deal I'm making
You, you and meAnd if I only could
Make a deal with God
And get Him to swap our placesBe running up that road
Be running up that hill
Be running up that building
If I only couldYou don't wanna hurt me
But see how deep the bullet lies
Unaware that I'm tearing you asunder
And there's a thunder in our hearts, babyThere's so much hate for the ones we love?
Tell me, we both matter, don't we?
You, you and me
You and me, won't be unhappyIf I only could
Make a deal with God
And get Him to swap our placesBe running up that road
Be running up that hill
Be running up that building
If I only couldCome on, baby, come on, come on, darling
Let me steal this moment from you now
Come on, angel, come on, come on, darling
Let's exchange the experienceAnd if I only could
Make a deal with God
And get Him to swap our placesBe running up that road
Be running up that hill
With no problemsAnd if I only could
Make a deal with God
And get Him to swap our placesBe running up that road
Be running up that hill
With no problemsIf I only could
Be running up that hill
If I only could
Be running up that hillIf I only could
Be running up that hill
If I only could
Be running up that hillIf I only could
Be running up that hill

If I only could
Be running up that hillIf I only could
Be running up that hill
