

# Running Up That Hill

## Within Temptation

It doesn't hurt me  
You wanna feel, how it feels?  
You wanna know, know that it doesn't hurt me?  
You wanna hear about the deal I'm making  
You, you and me And if I only could  
Make a deal with God  
And get Him to swap our places Be running up that road  
Be running up that hill  
Be running up that building  
If I only could You don't wanna hurt me  
But see how deep the bullet lies  
Unaware that I'm tearing you asunder  
And there's a thunder in our hearts, baby There's so much hate for the ones we love?  
Tell me, we both matter, don't we?  
You, you and me  
You and me, won't be unhappy If I only could  
Make a deal with God  
And get Him to swap our places Be running up that road  
Be running up that hill  
Be running up that building  
If I only could Come on, baby, come on, come on, darling  
Let me steal this moment from you now  
Come on, angel, come on, come on, darling  
Let's exchange the experience And if I only could  
Make a deal with God  
And get Him to swap our places Be running up that road  
Be running up that hill  
With no problems And if I only could  
Make a deal with God  
And get Him to swap our places Be running up that road  
Be running up that hill  
With no problems If I only could  
Be running up that hill  
If I only could  
Be running up that hill If I only could  
Be running up that hill  
If I only could  
Be running up that hill If I only could  
Be running up that hill

If I only could  
Be running up that hillIf I only could  
Be running up that hill
