

Gee Baby (I'm Sorry)

The Three Degrees

Gee baby, I'm sorry
But this is goodbye
Sure hate to leave you
'Cause you're a nice guy
Gee baby, I'm sorry
But I found someone new
I know that you're good for me
But I'm no good for you
Don't want to hurt you
I feel so ashamed
No words can tell you
How can I explain?
Gee baby, I tried
Lord knows I tried
Although you're sweet
You're not the guy
