

# The Good, The Bad & The Undead

## The 69 Eyes

Hail hail rock'n'roll  
Hail hail  
When the clock strikes twelve and we're in bed  
That's when the boogey man lurks to cut your head  
They won't let you into heaven  
And hell is closed tonight  
The good, the bad & the undead  
The good, the bad, baby better like itThe good, the bad & the undead  
The party's started and it's better when you're deadWe're the ones who have no place to go  
We've sold our souls to rock'n'roll  
Hail hail rock'n'roll  
Hail devil's got your soul  
They won't let us into heaven  
We've done all the sins of seven  
The good, the bad & the undead  
The good, the bad, baby better like it  
The good, the bad & the undead  
The party's started and it's better when you're deadBaby where's your head?
