The Good, The Bad & The Undead

The 69 Eyes

Hail hail rock'n'roll Hail hail

When the clock strikes twelve and we're in bed That's when the boogey man lurks to cut your head

They won't let you into heaven

And hell is closed tonight

The good, the bad & the undead

The good, the bad, baby better like itThe good, the bad & the undead The party's started and it's better when you're deadWe're the ones who have no place to go

We've sold our souls to rock'n'roll

Hail hail rock'n'roll

Hail devil's got your soul

They won't let us into heaven

We've done all the sins of seven

The good, the bad & the undead

The good, the bad, baby better like it

The good, the bad & the undead

The party's started and it's better when you're deadBaby where's your head?
