

Ode To Mel Bay

Chet Atkins

mel bay in your manual you taught us how to hold a pick
you got to hold it in this manner in order to play like this
now w'ere happily strummin and you ought to hear us play
we owe it all to you Mel Bay
Mel Bay everytime we play we always thinking of you and hope you have a nice day
were available for dances and ready to sign aoutographs if anyone should ask
we're better than we ever thought we could
please send us another book and we'll play twice as good
