

The Best I Ever Had

Sinne Eeg

It's over for now
There is nothing to do till tomorrow
Why, tell me why
Must we, blindly and angry,
Undress one another like we do?
We always do.
And I for one am on the edge
About to let you go.
So... farewell,
It's makin' me so sad,
You're drivin' me so mad,
The best I ever had.
My tears are dry.
There is plenty to cry for tomorrow.
How, just tell me how
Did we quietly stumble
From riches to ragged and cold?
Now you have gone
On my own, and on the edge
I have to let you go.
So... farewell,
It's makin' me so sad, You're drivin' me so mad,
The best I ever had.
Now you have gone
On my own, and on the edge
I have to let you go
So... farewell,
It's makin' me so sad,
You're drivin' me so mad,
The best I ever had.
