Keep It Heavy

Creme Soda

All the night
gotta give
you only love
hmmm who gonna gives
and if you touch
ohhh i cant resist

keep it heavy
oh oh oh keep it heavy
yeh yeh yeh keep it heavy
oh oh oh keep it heavy
yeh yeh yeh.....

who gonna ride
by the way
to only live
for today
the little mind
no no no
do what they say

keep it heavy
oh oh oh keep it heavy
yeh yeh yeh keep it heavy
oh oh oh keep it heavy
yeh yeh yeh...

guitar solo
slow part

all the night
gotta give
you only love
hmmm who gonna gives

keep it heavy
oh oh oh keep it heavy
yeh yeh yeh keep it heavy
oh oh oh keep it heavy

yeh yeh yeh....

"singing along"
"gonna love like this.. yeh yeh yeh"
