Bloodstream

Rudimental

Wake up, look me in the eyes again
I need to feel your hand upon my face
Words can be like knives, they can cut you open
And the silence surrounds you and haunts youI think I might have inhaled you
I can feel you behind my eyes
Youve gotten into my bloodstream
I can feel you flowing in meWords can be like knives, they can cut you open
And the silence surrounds you and haunts youI think I might have inhaled you
I can feel you behind my eyes
Youve gotten into my bloodstream
I can feel you flowing in meThe spaces in between
Two minds and all the places they have been
The spaces in betweenI try to put my finger on it
I try to put my finger on itI think I might have inhaled you
I can feel you behind my eyes
Youve gotten into my bloodstream
I can feel you flowing in meI think I might have inhaled you
I can feel you behind my eyes
Youve gotten into my bloodstream
I can feel you flowing in me
