

Janet's Planet

Haste the Day

Walk me to the desert and leave me
Ill dig my own way home
Walk me to the desert and leave me
Ill dig my own way homeWalk me to the desert and leave me
Ill dig my own way home
Walk me to the desert and leave me
Ill dig my own way homeWalk me to the desert and leave me
Ill dig my own way home
Walk me to the desert and leave me
Ill dig my own way homeWalk me to the desert and leave me
Ill dig my own way home
