

# Star Spangled Banner

## The Bar and Grill Singers

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming?  
    Whose broad stripes and bright stars  
        Through the perilous fight  
    O'er the ramparts we watched  
        Were so gallantly streaming  
        And the rocket's red glare  
        The bombs bursting in air  
        Gave proof through the night  
        That our flag was still there  
Oh, say does that star-spangled banner yet wave  
    O'er the land of the free  
    And the home of the brave?
