

Amazing

Point Of Grace

Consider your needs of the past
When somebody helped but you never asked
Now think of the joy you received
When you reached out to someone else in need 'Cause some days we laugh
Some days we cry
Some days we hold it deep inside
Though each day is a gift from on high But what I find amazing
The love we give, the love we gain
Amazing
There's so much more that's in Jesus name Amazing
Sometimes it's hard to see
That it's more blessed to give than receive Learning from different mistakes
Learning to give instead of just take
But when we all start to blend
We'll be like colors surrounding the sun as it sets 'Cause some days we laugh
Some days we cry
Some days we hold it deep inside
Though each day is a gift from on high But what I find amazing
The love we give, the love we gain
Amazing
There's so much more that's in Jesus name Amazing
Sometimes it's hard to see
That it's more blessed to give than receive 'Cause some days we laugh
Some days we cry
Some days we hold it deep inside
Though each day is a gift from on high But what I find amazing
The love we give, the love we gain
Amazing
There's so much more that's in Jesus name Amazing
Sometimes it's hard to see
That it's more blessed to give than receive Amazing, amazing Amazing
Sometimes it's hard to see
That it's more blessed to give than receive Consider your needs of the past
When somebody helped but you never asked
