Hit Me Back (feat. blackbear)

Jacob Sartorius

Ay, been waiting 'round all summer
Seen you posting pics and it's been such a bummer, ay
Since we got outta class, gave you my number
Supposed to hit me backSo now I can't afford to
Miss you when it's gorgeous outsideWhat's up with that?
Hit you all day, but you never hit me back
What's up with that?
FaceTimed you, called you, never hit me back
What's up with that?
The weather's okay, so why you feeling sad?
What's up with that?
Hit you all day, but you never hit me back
You never hit me Monday
Took you on a date on Tuesday
We were in love by Wednesday
And on Thursday and Friday and Saturday
Where'd you go Sunday?So now I can't afford to
Miss you when it's gorgeous outsideWhat's up with that?
Hit you all day, but you never hit me back
What's up with that?
FaceTimed you, called you, never hit me back
What's up with that?
The weather's okay, so why you feeling sad?
What's up with that?
Hit you all day, but you never hit me back
I had you YSL from head to toe
VVS rings to let you know
If you love me, then where'd you go?
I swooped you up in that big white ghost
I'm with Jacob, girl, so you know
We finna take over the whole worldWhat's up with that? (Hey, aw, yeah)
Hit you all day, but you never hit me back
(Why you never hit me back?)
What's up with that?
FaceTimed you, called you, never hit me back
(You never hit me back)
What's up with that?
The weather's okay, so why you feeling sad?
(Why you never hit me back?)

What's up with that?
Hit you all day, but you never hit me back(Why you never hit me back?)
What's up with that?
Hit you all day, but you never hit me back
(Why you never hit me back?
Me back, me back, hit me, hit me)
What's up with that?
Hit you all day, but you never hit me back
