Lay It All On Me (feat. Ed Sheeran)

Rudimental

All alone as you look through the door
Nothing left to see
If it hurts and you can't take no more
Lay it all on me[Pre-Chorus]
No you don't have to keep it on a locking key
Cause I will never let you down
And if you can't escape all your uncertainties
Baby I can show you how[Chorus]
Let my love in, let my love in
Lay your heart on me
If you're hurting, if you're hurting
Lay it all on me
You can lay it all on me
Lay it all on me
Lay it all on me
If you're hurting, if you're hurting
Lay it all on me[Verse 2]
If you're scared when you're out on your own
Just remember me
Cause I won't let you go, let alone
Lay it all on me[Pre-Chorus]
No you don't have to keep it on a locking key
Cause I will never let you down
And if you can't escape all your uncertainties
Baby I can show you how[Chorus]
Let my love in, let my love in
Lay your heart on me
If you're hurting, if you're hurting
Lay it all on me
You can lay it all on me
Lay it all on me
Lay it all on me
If you're hurting, if you're hurting
Lay it all on me[Bridge]
So if you're hurting babe
Just let your heart be free
You got a friend in me
I'll be your shoulder at anytime you need
Baby I believe

So if you're hurting babe
Just let you're heart be free
I'll be your shoulder at anytime you need
Baby I believe
You can lay it all on me[Outro]
Let my love in, let my love in
Lay your heart on me
If you're hurting, if you're hurting
Lay it all on me (lay it all on me)
Lay it all on me (lay it all on me)
Lay it all on me
If you're hurting, if you're hurting
Lay it all on me (lay it all on me)
Lay it all, lay it all
Lay it all (lay it all on me)
Lay it all, lay it all
Lay it all on me
Lay it all, lay it all on me
Lay it all on me
Lay it all, lay it all on me
Lay it all on me
