Cradle

Jennifer Leonhardt

Alice is under the blankets today
And Alice is taking the afternoon in bed

Refrain
Sometimes Alice finds it hard
to stay lying down so it's good to remind
Alice that the hand that rocks her cradle
is always there

Alice has already done plenty today
And Alice is taking the afternoon in bed

Refrain
Sometimes Alice finds it hard
to stay lying down so its good to remind
Alice that the hand that rocks her cradle
is always there

Alice is already hopping out of bed
And Alice gets distracted by the somethings in her head

Refrain
Sometimes Alice finds it hard
to stay lying down so its good to remind
Alice that the hand that rocks her cradle
is always there
It's always there
It's always there
It's always there
