Hot Child In The City

Nick Gilder

Danger in the shape of somethin' wild
Stranger dressed in black, she's a hungry child
No one knows who she is or what her name is
I don't know where she came from or what her game isHot child in the city
Hot child in the city
Runnin' wild and lookin' pretty
Hot child in the citySo young to be loose and on her own
Young boys, they all want to take her home
When she goes downtown, the boys all stop and stare
When she goes downtown, she walks like she just don't careHot child in the city
Hot child in the city
Runnin' wild and lookin' pretty
Hot child in the cityCome on down to my place, baby
We'll talk about love
Come on down to my place, woman
We'll make loveHot child in the city
Hot child in the city
Runnin' wild and lookin' pretty
Hot child in the cityHot child in the city
Hot child in the city
Runnin' wild and lookin' pretty
Hot child in the city
Hot child in the city
