

# I Bombed Korea

## Cake

I bombed Korea every night  
My engine sang into the salty sky  
I didn't know if I would live or die  
I bombed Korea every night I bombed Korea every night  
I, I bombed Korea every night Red flowers bursting down below us  
Those people didn't even know us  
We didn't know if we would live or die  
Well we didn't know if it was wrong or right  
I bombed Korea every night And so I sit here at this bar  
I'm not a hero I'm not a movie star  
I've got my beer I've got my stories to tell  
But they won't tell you what it's like in hell Red flowers bursting down below us  
Those people didn't even know us  
We didn't know if we would live or die  
We didn't know if it was wrong or right  
We didn't know if we would live or die  
I bombed Korea every night, oh yeah
