

# Lift up Your Eyes

[Danny Gokey](#)

Light of lights eternal hope has come  
By and by to lead us back to love  
Come behold a manger for a bed  
Where the King of Kings has laid his head  
Light of lights eternal hope has come

Hear the angel's song break the silent night  
Lift up your eyes, lift up your eyes  
See the saving One born that none may die  
Lift up your eyes, lift up your eyes  
Glory to God let the praises rise  
Lift up your eyes, lift up your eyes  
Glory to God let the earth reply  
Lift up your eyes

Come and lay your offering at his feet  
Where the sons of earth and heaven meet  
Let the joy awaken every heart  
Born into the night the morning star  
Come and lay your offering at his feet

Hear the angel's song break the silent night  
Lift up your eyes, lift up your eyes  
See the saving One born that none may die  
Lift up your eyes, lift up your eyes  
Glory to God let the praises rise  
Lift up your eyes, lift up your eyes  
Glory to God let the earth reply  
Lift up your eyes

And he shall be called Wonderful, Counselor, Almighty God  
And he shall be called Prince of Peace, Lord of Host, the Hope for all

Can you hear the angel's song break the silent night  
Lift up your eyes, lift up your eyes  
See the saving One born that none may die  
Lift up your eyes, lift up your eyes  
Glory to God let the praises rise  
Lift up your eyes, lift up your eyes  
Glory to God let the earth reply

Lift up your eyes
