

# Confessions

## Kamchatka

Advisory - the following lyrics contain explicit language:

Sleepless.  
Weary again.  
Questions  
fill my head.  
What could it be  
that you need?  
Is it me,  
or is it my child? Confessions.  
Well, what can I say?  
When passion  
is fading away.  
Satisfaction,  
is it not for me?  
All your actions Confessions.  
What can I say?  
When passion  
is fading away.
