Keep the devil Off

Big K.R.I.T.

Lord be my witness
Gotta keep the devil off (keep the devil off)
Keep the devil off, gotta keep the devil off (keep the devil off)
Keep the devil off
Can't worry 'bout no snakes (worry 'bout no snakes)
What good are those riches, if you're six feet under?
Lord be my witness, keep the devil off (keep the devil off)I was born on the south side of the moon
Country boy did this big from the bottom of the map
To the top of the mountain, pimpin' I'm on the move
I'm in the groove, on the late night
I make the move if the play right
You ain't seen it like I seen it
My vision nowadays 'bout as bright as the daylight
Supernova, I made a strong foundation outta all these brothers I killed
I ran them snakes in my yard
And you were tuckin' your tail, actin' all scary
We ain't cut from that cloth (well)
I paid in gold what I bought (well)
I ran circles 'round y'all
And never ever, ever got caught (woo)Gotta keep the devil off (keep the devil off)
Keep the devil off, gotta keep the devil off (keep the devil off)
Keep the devil off
Can't worry 'bout no snakes (worry 'bout no snakes)
What good are those riches (those riches), if you're six feet under? (Under)
Lord be my witness, keep the devil off (keep the devil off)
Keep the devil off
Gotta keep the devil off (keep the devil off)
Keep the devil off
Ain't worry 'bout no snakes (worry 'bout no snakes)
What good are those riches (those riches), if you're six feet under? (Under)
Lord be my witness, gotta keep the devil off (keep the devil off)
I was born underneath the pecan tree (pecan tree)
With the soul of giant and the heart of a lion
But now world couldn't wait for an O.G.
I was creepin', crawlin', fallin' out the shack
Backwards slippin' upward through the crack
Now I creep in storage where you want to be
But barely get to see but never ever at paid for
I made more than they thought I would on my tax

I mix the candy with the grain
And the soul with the swang and the bang
And that's called bounceWe ain't cut from that cloth (well)
I paid in gold what I bought (well)
I ran circles 'round y'all and I believe in faith of people
And never got caught (wooh)Gotta keep the devil off (keep the devil off)
Keep the devil off, gotta keep the devil off (keep the devil off)
Keep the devil off
Can't worry 'bout no snakes (worry 'bout no snakes)
What good are those riches (those riches), if you're six feet under? (Under)
Lord be my witness, keep the devil off (keep the devil off)
Keep the devil off, gotta keep the devil off (keep the devil off)
