Still of the Night (87 Evolutions Version)

Whitesnake

In the still of the night
I hear the wolf howl, honey
Sniffing around your door
In the still of the night
I feel my heart beating heavy
Telling me I gotta have moreIn the shadow of night
I see the full moon rise
Telling me what's in store
My heart start aching
My body start a shaking
And I can't take no more
No, no, no
Now I just wanna get close to you
And taste your love so sweet
And I just wanna make love to youFeel your body heat
In the still of the night
In the still of the nightOver here baby
In the heat of the day
I hang my head down low
And hide my face from the sun
Through the light of the day
Until the evening timeI'm waiting for the night to comeOoh, baby
In the still of the night
In the cool moonlight
I feel heart is aching
In the still of the night
Ooh, baby
Ooh, babe
I can't keep away
Need to be closerI can't keep away
Can't keep away
Can't keep awayI can't keep away, no
You gotta give me loveGot to give me some loving everyday
Can't keep away
Ooh, baby
Ooh, Lord
Ahh
Tell me here, babyIn the still of the nightI hear the wolf howl, honey
Sniffing around your door

In the still of the night
I feel my heart beating heavyTelling me I gotta have more
Ooh! Mama
Now I just wanna get close to you
And taste your love so sweetAnd I just wanna make love to you
Feel your body heat
In the still of the night
Oh, yeah
In the still of the night
I will be sneaking 'round your door
In the still of the night
In the still of the night
Ain't nothing gonna stop me now
Still of the night
Still of the night
Still of the night
Still of the night
Still of the night
Still of the night
Still of the night
Still of the night
Still of the night
