Karma Police

Flunk

Karma police Arrest this man He talks in maths He buzzes like a fridge He's like a detuned radio Karma police Arrest this girl Her Hitler hairdo Is making me feel ill And we have crashed her party This is what you'll get This is what you'll get This is what you'll get When you mess with us Karma police I've given all I can It's not enough I've given all I can But we're still on the payroll This is what you'll get This is what you'll get This is what you'll get When you mess with us For a minute there I lost myself, I lost myself Phew, for a minute there I lost myself, I lost myself For a minute there I lost myself, I lost myself Phew, for a minute there I lost myself, I lost myself
