

Sweeter

Gavin DeGraw

You

You don't know how lucky you are
Hanging with that girl on your arm
But soon enough I'm taking my shot

Bang!

Once I get 'em locked in my sight
Doesn't mean I wasn't alright
I'm just seeing something I like

Woo hoo

(Chorus)

I just wanna take
Someone else's holiday
Sometimes the grass is greener
And someone else's sugar
Someone else's sugar

Sweeter

You

Went to school and found out you're dumb
Maybe you just had too much fun
Fell in love and think it's the one

You're like an angel

Got me feeling like a devil
And I wanna give you something if
You promise that you won't tell

Woo hoo

(Chorus)

I'm a recommend
You take that body to the other end
I really like you but I can't be friends
Not with these hands of mine

(Chorus)

(Chorus)
