Mounties

Minimum effort will cost you
Imagine life in this costume
Somebody shake this and taste it
I'm living life but I'm wasted (sick.)One more timeMinimum effort will cost you
Imagine life in this costume
Somebody shake this and taste it
I'm living life but I'm wasted (sick.)Yeahyeahyeahyeahyeah (yeahyeahyeahyeahyeah)They say
we left all our love there
They say we left it in charge
We keep our mouth where the money is
I know we're living loud??? Stereo musings

Where we will ??? everything without a reasonYeahyeahyeahyeahyeah
