

Mutant Man

Patrick Cowley

When the dust has fallen
Silence rules the earth
When the ancient crumbling stone
Lies buried beneath the dirt

When the mystery returns
To darken Mutant Man
He will understand...

Deeper down the corridor
Returning to the source
Rhythm touching rhythm
Is the underlying force
When he hears the harmony
Inside Mutant Man
He will understand...

He will understand
He will understand...
He will understand...
He will understand...
He will understand...
