Gentle April

Splashh

I never thought I'd loose my own di-direction
The month is fading into a passing, a passing feeling
Something's in front of me that I can't touch right beside meYou're so gentle in April
But I can't wait on your love
Because this month, it's fading into a passing feelingBut you know it's alright
And there it goes
It passes you by
But it's alright
But you know it's alright
And there it goes
It passes you by
But it's alrightYou're so gentle in April
But I can't wait all year long
Because this month, it's fading into a passing feelingBut you know it's alright
And there it goes
It passes you by
But it's alright
But you know it's alright
And there it goes
It passes you by
But it's alright
