

# Dream of Life

## Repentina

Na, na, na, na, na  
Na, na, na, na, na I'm with you always, you're ever on my mind  
In a light to last, a whole life through  
Each way I turn, the sense of you  
Surrounds in every step I take in all I do Your thoughts your schemes  
Captivate my dreams  
Everlasting, ever new Sea returns to sea  
And sky to sky  
In a life of dream am I  
When I'm with you Deep in my heart, how the presence of you shines  
In a light to last a whole life through  
I recall the wonder of it all  
Each dream of life, I'll share with you Sea returns to sea  
And sky to sky  
In a life of dream am I  
When I'm with you I'm with you always, you're ever on my mind  
In a light to last a whole life through  
The hand above turns those leaves of love  
All and all a timeless view Each dream of life  
Flung from paradise  
Everlasting, ever new Dream of life  
Dream of life Na, na, na, na, na
