

# Kokoro No Naka

## Buranden

Since no one has bothered to put any lyrics up, I have tried my best.  
I know next to nothing when it comes to Japanese words, so some  
of the words may be garbled or spaces may be where they shouldn't,  
but the important thing is they sound right lol. So, don't cuss me out, heh.

asfaruto ni tadazune  
chifun ga wa kateki  
tato nari no kafuruno  
kohiwaratsu kashii

sono kimochi wo omoiteru  
nanimu kihinara nai mo  
nai wanai kowaku nai  
aozora noshita dewara

But I say kokoro no naka wa  
hitori po chi kanashii  
konote ni yuki wa  
Tsuneta tsugiru  
Kimi no hata no otagete  
ano karu imirai o shinjiteita

deshani mori mo hitori mochi  
kore wa futsu janai  
no ueno suriga maeni chi  
Myspace sharunte  
utsiru kara kikoetekuru  
wasureradenaiko e imamo  
kotoni yuki ga furu totoga

But I say kokoro no naka wa  
hitori po chi kanashii  
konote ni yuki wa  
Tsuneta tsugiru  
kimi no hata no otagete  
ano karu imirai o shinjiteita

Why are you still crying for attention?  
When there's nobody left to blame?  
I'm moving on and I don't need to hear you.

Trying to get me to play your game.  
There's nothing that could win me over to you.  
Now that you shattered the sky above.  
Your snow is turning icy, and you're wasted.  
In time proven your case to me.

But then the kokoro no naka wa  
hitori po chi kanashii  
konote ni yuki wa  
Tsuneta tsugiru  
Kimi no hata no otagete  
ano karu imirai o shinjiteita

tadari mai wa kage ni  
aisatsu shiteiru  
nako dounou omoide ga o osurugiiru  
tasukani kodoku ga  
yokeni mi mishimi  
yuke derito kimi no yuki no  
ho ga na zetsume dau

Kokoro no naka wa  
hitori po chi kanashii  
konote ni yuki wa  
tsuneta tsugiru  
kimi no hata no otagete  
ano karu imirai o shinjiteita

---
