

Love Me Badder (Broods Remix)

Elliphant

[Verse 1]

My pillow smells like your cologne
I just can't wait 'til you get home
You gangsta ways turn me on
you touch me right and you love me wrong give it to me, give it to me
show it to me, show it to me
come up on me, come up on me
oh baby [Chorus]

I say no one, ay
No one loves me badder
Than you
I say I say I say
No one (oh)
No one loves me badder
Than you, yeah yeah Nobody love, nobody body love me (x3)
Badder than you If loving you was a crime
I swear that I wouldn't mind to do the time
The storm I had for you rub me blind
You so criminal
This so criminal
Give it to me, give it to me (give it to me)
Show it to me, show it to me (show it to me)
Come up on me, come up on me (come up on me)
Oh baby [Chorus] nobody love
nobody body love me
nobody love
nobody body love me
nobody love
nobody body love me
badder than you, no I fire fire bullets
for you, man
you take them take them
bullets for me
in the fire fire walking
to you man
cut me deep, sweet bleeding
we got bad love (repeat) say no one
no one loves me badder
than you

I say I say I say no one
no one loves me badder
than you
yeah yeah nobody love
nobody body love me
nobody love
nobody body love me
nobody love
nobody body love me
badder than you, no
