

# Things Can Only Get Better

## D:Ream

You can walk my path, you can wear my shoes  
Learn to talk like me and be an angel too  
But maybe you ain't never gonna feel this way  
You ain't never gonna know me but I know you I'm singing it now, things can only get better  
They can only get better if we see it through  
That means me and I mean you too So teach me now that things can only get better  
They can only get, they only get, take it on from here  
You know, I know that things can only get better I sometimes lose myself in me, I lose track of time  
And I can't see the woods for the trees, you set them alight  
Burn the bridges as you've gone, I'm too weak to fight ya  
I've got my personal hell to deal with And then you say  
"Walk my path, wear my shoes  
Talk like that, I'll be an angel" And things can only get better  
They can only get better now I found you  
(Things can only get, can only get)  
Things can only get better  
They can only get better now I found you and you and you You have shown me prejudice and greed  
And you've shown me how I must learn to deal with this disease  
I look at things now in a different light than I did before  
And I've found the cause and I think that you can be my cure So teach me to walk your path, wear your shoes  
Talk like that, I'll be an angel And things can only get better  
They can only get better now I found you  
(Things can only get, can only get)  
Things can only get better  
They can only get better now I found you Things can only get, can only get  
Things can only get, can only get  
Things can only get, things can only get  
Things can only get Things can only get better  
They can only get better now I found you  
(Things can only get, can only get)  
And you and you and you baby  
Things can only get better  
They can only get better now I found you
