

Not Falling Apart

Maroon 5

Danced all night and slept all day
Careless with my heart again
Fearless when it comes to playing games
You don't cry and you don't care
Afraid to have a love affair
Is that your ghost or are you really there?
Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck, living out that night again
I'm not falling apart
Wither on a sunny day
Time slows down, I wish you'd stay
Pass me by in crowded dark hallways
Try my hardest not to scream
I find my heart is growing weak
So leave your reasons on the bathroom sink
Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck, living out that night again
I'm not falling apart

I heard you say you needed me
Now what's the problem? I can't see
You destroyed me, I won't fall apart again
I'm not falling apart
Take what you want
And I will be just fine
You will be better off alone at night
Waiting and falling
Constantly calling out your name
Will it ever change?
Now I can't walk, I can't talk anymore
Since you walked out the door
And now I'm stuck living out that night again
I'm not falling apart
I heard you say you needed me
Now what's the problem? I can't see
You destroyed me, I won't fall apart again
I'm not falling apart
