

# Don't Talk to Strangers

## The Beau Brummels

Don't talk to strangers  
Cause they're only there to do you harm  
Don't write in starlight  
'Cause the words may come out real  
Don't hide in doorways  
You may find the key that opens up your soul  
Don't go to Heaven cause it's really only Hell  
Don't smell the flowers  
They're an evil drug to make you loose your mind  
Don't dream of women  
'Cause they'll only bring you down  
Hey you, you know me, you've touched me, I'm real  
I'm forever the one that lets you look and see and  
Feel me I'm danger, I'm the stranger  
And I, I'm darkness, I'm anger, I'm pain  
I am master, the evil song you sing inside your brain

Drive you insane  
Don't talk, don't let 'em inside your mind  
Run away, run away, girl  
No, no, no don't let them in your mind  
Protect your soul  
Don't dance in darkness  
You may stumble and you're sure to fall  
Don't write in starlight  
'Cause the words may come out real  
Don't talk to strangers  
'Cause they're only there to make you sad  
Don't dream of women  
'Cause they'll only bring you down
