Hopeless

Boy Epic

All I wanted
All I wanted was to make you mine
I never wanted
I never wanted to say goodbye
No lieI'm afraid to kiss the sky
I don't want to close my eyes
I got nothing to lose
Just myself into youBut this isn't hopeless
Tragic romance me and you
Waiting for something
Seems as they feel it as lovers do
I know that you're scared
And I was scared too till I met you
And if we are hopeless
Beautifully tragic I still love youLive in the moment
Live in the moment with me tonight
We can make it
We can make it ride or die
No lieIf this is a dream
I'm falling breaking my teeth
Fighting just to breathe
Just to get to youBut this isn't hopeless
Tragic romance me and you
Waiting for something
Seems as they feel it as lovers do
I know that you're scared
And I was scared too till I met you
And if we are hopeless
Beautifully tragic I still love youBut this isn't hopeless
Tragic romance me and you
Waiting for something
Seems as they feel it as lovers doI know that you're scared
And I was scared too till I met you
And if we are hopeless
Beautifully tragic I still love you
