

What's The Deal?

Willis Earl Beal

Your body gonna say fuck you
Everybody gonna do what they do
Everybody gonna give me a clue
Gonna give me a clue
Gonna give me a clue
Everybody gonna leave me alone
Everybody gonna just be gone
Everybody gonna say I got what I want
I got what I want
I got what I want
I got what I want from you
Now it's time to cut it all
Cut you off, cut you off, cut you off
Cut you off, cut you off, cut you off
Cut you off
Time to cut you off
Everybody gonna say you're alone
Everybody say just be strong
They tell me about Jesus Christ
Just be lost, just be lost, just be lost
JUST BE LOST
Everybody want me
But it's only in my head
They might be thinking about
What I did, what I did, what I did
What I did
Get a clue, get a clue
Open your eyes
You wear a disguise
A disguise, a disguise, a disguise
A disguise
Just drink your scotch
Take you dumb ass to bed
Pull your pearl neck
While listening to the clock tick
You don't know shit
And you never will
Lights on faces
What's the deal, what's the deal, what's the deal

What's the deal
Said fuck you
