

Boat on the River

Fiddler's Green

Take me back to my boat on the river
I need to go down
Need to come down
Take me back to my boat on the river
And I won't cry out anymore Time stands still as I gaze in her water
She eases me down, touching me gently
With the waters that flow past my boat on the river
So I don't cry out anymore
Oh the river is wide
The river it touches my life like the waves on the sand
All roads lead to Tranquillity Base
Where the frown on my face disappears
Take me down to my boat on the river
And I won't cry out anymore Oh the river is deep
The river it touches my life like the waves on the sand
And all roads lead to Tranquillity Base
Where the frown on my face disappears
Take me down to my boat on the river
I need to go down
Won't you let me go down
Take me back to my boat on the river
And I won't cry out anymore
And I won't cry out anymore
And I won't cry out anymore
