

# Pango Pango

## The Atomic Fireballs

[Instrumental]I'm goin' where those people sing  
Sellin' me those crazy things  
About the future and afterlife  
About my twenty kids and thirty wivesThey say I was a king, a warrior chief  
I looked at them in disbelief  
They crack my head and slam my jaw  
That's when I saw it allOh, pango pango pango (Pango pango pango)  
Pango pango pango  
Pango pango pango (Pango pango pango)  
I'm wastin' here in pangoYou know they did a crazy dance  
But I stood my ground a took a stance  
They screamed at the sky, they heated the sun  
I feel the presure, I have to runNowhere to hide, nowhere to go  
I got's to got's to feel the flow  
Nowhere to hide, nowhere to go  
I'm stuck here in PangoPango pango pango (Pango pango pango)  
Pango pango pango  
Pango pango pango (Pango pango pango)  
I'm runnin' fast by movin' slow[Instrumental]The salad steaks and monkey brains,  
Curse you all who feel the pain  
Oh melt me in a pot of Jones  
Oh, PangoooooPango pango pango (Pango pango pango)  
Pango pango pango (Pango pango pango)  
Pango pango pango (Pango pango pango)  
Once I was high but now I'm lowPango pango pango (Pango pango pango)  
I'm wastin' here in Pango (Pango pango pango)  
Pango pango pango  
I lost my soul in Pango (Pango pango pango)[Instrumental]
