

Men Don't Understand

Haley Smalls

I was the fire, you were the flame.
You took my love wherever wanted it,
written in stone, all on my face.
You turn your back so you don't have to take blame(wooh)
I ran out a long time ago but you didn't know, you didn't know that (oh)
I fell apart along time ago, but you didn't know, you wouldn't know that.

Cause you're a man and men don't understand(4x)

You were the handle and I was the plate,
When I cry out you won't to see your plate clean.
But I hold on living vein
Cause you can't connect to anything that I say. (Ooooooh)
We broke up along time ago but you didn't know that,
You didn't know that. (Ooh)
I should've known a long time ago that you didn't know that, you wouldn't know that (ooh)

Cause you're a man and men don't understand (4x)
