

# Elenor

## Me First and the Gimme Gimmes

You got a thing about you  
I just can't live without you  
I really want you, Elenor, near me  
Your looks intoxicate me  
Even though your folks hate me  
There's no one like you, Elenor, really Elenor, gee, I think you're swell  
And you really do me well  
You're my pride and joy, etcetera  
Elenor, can I take the time  
To ask you to speak your mind  
Tell me that you love me better I really think you're groovy  
Let's go out to a movie  
What do you say now, Elenor, can we?  
They'll turn the lights way down low  
Maybe we won't watch the show  
I think I love you, Elenor, love me
