Nirvana

Sam Smith

Oh, baby
Oh, baby
Oh, we both know the truth
If it were the real me and you
This wouldn't be the right thing to doNow the room is all hazy
We're too lost in the fumes
I feel like it's just me & you
Yeah, we got nothing to loseIt's too late to run away from it all
It's too late to get away from it all
I'm done with running so I give it to youThis moment has caused a reaction
Resulting in a reattachment
Will you take me to Nirvana?
I don't think this will last
'Cause you're here in my armsOh, baby
Oh, baby
Oh, we both feel the same
I'm not gonna give you my name
And I don't think you want that to changeWe're in this together
We don't know who we are
Even if it's moving too fast
Maybe we should take it too farIt's too late to run away from it all
It's too late to get away from it all
I'm done with running so I give it to youThis moment has caused a reaction
Resulting in a reattachment
Will you take me to Nirvana?
I don't think this will last
'Cause you're here in my armsWill you take me to Nirvana?
I don't think this will last
'Cause you're here in my arms
