

# West, Pioneer!

## Annie Moses Band

Sing oh poet rhapsodies of a long lost age  
When exploring wanderer, sailor, and sage  
    Found a new path to the west setting sun

A path long forgotten remembered by noneThe world was awaking, day drawing clearer  
The day of America day of the new pioneerComb through the primitive Virginian forest  
    Drink from the Vineland of vintage new pressed

    Graze a new trail to the west setting sun

West pioneer, go west pioneer, Go West!Climb through the dark abaladrine blue ridges  
    Delve into deep forid's ebony gems  
    Follow the trail to the west setting sun  
    West pioneer, go west pioneer,

West pioneer, go west pioneer, Go West!Cover the canvas of white foaming wheat  
    Conquer the Rockies and climb above peek  
    Tree settled view of the west setting sun

West in the West is destinies test.Crisscross the valleys on white-water rivers  
    Dare to bare deserts you've never traversed  
Rest in the peace of the west setting sun...West pioneer, go west pioneer,  
    go west pioneer, go west pioneer.  
    Go west pioneer, go west pioneer.  
    Go west pioneer, go west pioneer. Go West!
