

Tried to Tell Ya

Brantley Gilbert

It's 4 in the morning' under Ol' Georgia
with the lights in the rear view
Your blue eyes wide open like, "boy what you tryin' to do?"
Think that left turn lost 'em and it's turning you on
You're climbing over the console so I'm guessin' it's on[Alright, alright]
You're lovin' this fast lane life
[Don't lie, don't lie]
You don't want to say goodnightI... tried to tell ya that I was crazy
Tried to tell you that I lost my mind
Tried to tell you I was nothin' but trouble, baby
Yeah but baby you thought that was a lie
Now you've got yourself a situation
An angel fallin' for a renegade
You can't blame me if you tried to never change me
I.... tried to tell ya that I was crazyMiddle of the night I'm outside in your drive
and baby let's go
Didn't call or nothin', just showed up and told you,
"it's time to roll."
Got you head over heels girl, ain't this a trip
This ride or die for real, you're lovin' this bad boy shitI... tried to tell ya that I was crazy
Tried to tell you that I lost my mind
Tried to tell you I was nothin' but trouble, baby
Yeah but baby you thought that was a lie
Now you've got yourself a situation
An angel fallin' for a renegade
You can't blame me if you tried to never save me
I.... tried to tell ya that I was crazyYou're lovin' this fast lane life
[Don't lie, don't lie]
You don't want to say goodnight
[Alright, alright]
And I think I want this right
[The life, the life]
And I'll never say goodbyeI... tried to tell ya that I was crazy
Tried to tell I was outta my mind
Tried to tell you I was nothin' but trouble, baby
Yeah but baby you saved my life
Now we've got ourselves a situation
An angel runnin' with a renegade
You can't blame me, she never tried to change me

Aww... knowin' damn well that I was crazy
