1,000 People

Blackfield

A thousand people yell
Shouting my name
But I wanna die in this moment
I wanna dieAnd a thousand people smile
Smiling at me
But I wanna die in this moment
I wanna dieNo way to understand
Why I've become the way I am
When the sky is filled with stars
I find a place inside my heartSome people can take a blow
And won't ever drop
But I wanna die in this moment
I wanna dieShe will tell me she loves me
And she won't ever stop
But I wanna die in this moment
I wanna dieThe coldness in my soul
And I reach out for her to hold
Then I watch her close her eyes
It's only me that needs to cryAnd if I stay with you
Do you believe that I'll pull through?No way to understand
Why I've become the way I am
When the sky is filled with stars
I find a place inside my heartThen I watch her close her eyes
It's only me that needs to cryA thousand people yell
Shouting my name
But I wanna die in this moment
I wanna die
